Open Position: H2020 CONSORTIUM GRANT ADVISER

The GIGA (www.giga.ulg.ac.be) research center of the University of Liège in Belgium is an interdisciplinary cluster for research excellence in the field of biomedical sciences. We invite applications for an experienced HORIZON 2020 CONSORTIUM GRANT ADVISER. The successful candidate will be part of the GIGA Grants team which provide dedicated support to GIGA scientists in the acquisition and management of Horizon 2020 consortium grants.

Key qualifications include:
- Comprehensive knowledge of a wide range of biomedical sciences research fields;
- Extensive knowledge of Horizon 2020 funding program;
- Proven experience in European consortium projects, having played active roles during the proposal preparation and project coordination stages;
- High level of interpersonal and organizational skills;
- High proficiency in both verbal and written English.

Key tasks include:
- Assessment of research funding calls and concomitant identification and motivation of potential applicants from the GIGA community;
- Direct assistance to scientists during the proposal preparation stage, including at the consortium building and proposal writing steps;
- Active participation in activities which provide input for the themes and call topics of the Horizon 2020 work programmes;

The position is available immediately and offers an initial contract for one (1) year with good prospects for renewal based on performance. Candidate screening and interviews will start immediately and will continue until a suitable candidate is hired.

Qualified and highly motivated individuals are invited to send a letter of motivation, a detailed curriculum vitae and the names and contact details of three (3) references to Prof Michel Georges and Ms Marilou Ramos-Pamplona. Please email your application documents with the subject heading “H2020 Grant Adviser” to the following email addresses: “michel.georges@ulg.ac.be” and “marilou.ramospamplona@ulg.ac.be”.

Please note that only shortlisted candidates will be notified.
